

## Recent Updates

- Comments system for all blog entries, news items, gallery images, etc.
- Now 100% W3C css and xhtml compliant
- Galleries
  - New Galleries:
    - Streetlamp (NEW!)
    - Portraiture (NEW!)
    - New York (NEW!)
    - Show 2 (NEW!)
  - Reposted Galleries:
    - Costa Rica, Florida, Jetta, Lost Bet, Celeste, Seth and Jeremy Graduation Ceremony,
- Nifty, easy to use creature comforts like
  - User variable page width for my low-res friends (look in the upper right!)
  - Push-button variable font size for my low-eyesight friends (again, look in the upper right ).
- Drastically expanded searchable Links area. Now people can stop asking me where I get my nifty t-shirts, deals on gadgets, reviews, etc.
